**Search Results List**

A license may have one or two statuses. The first status is normally "Current" which means the license is in good standing. If the first status is "Expired" or "Null and Void", or if either status shows "Inactive", the licensee may not practice in the profession and/or operate as a licensed business. For information on additional or disciplinary license statuses, please contact the board or program.

Click on "Name" to see details.

Press "Previous" to return to the previous screen.

Press "New Search" to start new search.

**Search Criteria**

**Search By Name**
